

e9

The image shows a technical drawing of a mechanical part, likely a bracket or a support, rendered in black lines on a white background. The part has a vertical base and a horizontal top section. The top section is divided into two parts: a larger, wider section on the left and a smaller, narrower section on the right. The left section has a sloped side on the left and a vertical side on the right. The right section is a narrow rectangular extension. The label 'e9' is positioned to the left of the main vertical section. The drawing is enclosed within a red rectangular border.
