A minimalist line drawing of a building facade. The drawing is composed of several vertical and horizontal lines. On the right side, there is a vertical line that extends from the top to the bottom, with a small horizontal line segment at the top. To the left of this, there is a series of horizontal lines of varying lengths, creating a stepped effect. In the upper left corner, the letters 'de' are written in a large, bold, sans-serif font. The overall style is clean and modern.
